This is a sample abstract for the CEPAS'20 conference held in Debrecen from 11-14 August 2020.

Preparation instructions are given below.

1. Abstracts should be written in English. The length of each abstract is limited to one A4 page. The abstract should be submitted in doc (tex) and pdf files by sending it to

**cepas2020@atomki.mta.hu**

2. It is your responsibility to check that the abstract is correctly formatted and readable. No changes to the submitted abstracts will be made by the conference organizers.

3. Abstracts should be formatted for A4 size (210 x 297 mm, i.e., 8.268 x 11.693 inches). All text and figures must fit within side, top, and bottom margins of 2 cm. Use 11-pt Roman (LaTeX) default font or a similar font such as Times New Roman throughout the abstract. This and other font sizes, as used in the Word template, are listed in Table 1.

**Table 1.** Font sizes to be used in the abstract.

	Title	Caption	Body	Refs.
Size	14 pt	10 pt	11 pt	10 pt

4. The title should be typed in 16-pt boldface letters and centered. If necessary, use a second line, single-spaced just below the first.

5. Leave 14pt before the names of the authors and 10pt before the affiliations and addresses. After leaving two lines, the body text is typed in two-column format with 0.75-cm column separation. The text should be single-

spaced and the first line of each paragraph should be indented 3 spaces.

6. Figures will be shown in color in electronic versions of the abstracts. Give each figure a separate caption and, like a table caption, it should be concise (see Figure 1). If you choose to submit color figures remember that most printouts from the web will be in black and white. It is your responsibility to ensure that the figures are easy to read and understand even in gray scale mode.
